

One-Hundred & Ten Percent

Complete Service Guarantee

Legal Field IT Specialists offers the industry's best guarantee for service & performance:

If you are ever less than 100% thrilled with ANY service for ANY reason, call and let us know. We will immediately correct or repeat the service at no additional charge to you.

If this does not resolve the issue to your complete satisfaction, you will receive a 110% refund on the monthly service invoice in question. All we ask is that you notify us within 72 hours of the unsatisfactory service and before additional services begin.

You'll notice that we don't hide behind small print, 'legalese', or other weasel clauses in our guarantee. That's because we are completely confident in our ability to fix whatever problems you have to ensure you are thrilled that you have chosen Legal Field IT Specialists for your IT service needs.
